

Sustainable Mobility Initiative

As part of our commitment to reducing our carbon footprint and promoting eco-friendly practices, we are proud to introduce **Electric Bikes** and a dedicated **Charging Station** in our factory and warehouses.

Join us in driving towards a **cleaner, greener** future for all!

Together, we can make a difference!

Regenerative Emission Control Initiative

As part of our commitment to minimizing environmental impact, we have upgraded our Diesel Power **Generators with Regenerative Emission Control Devices (RECD)** to significantly reduce harmful emissions.

We're dedicated to making our operations **cleaner and eco-friendlier** every day.

Pioneering cleaner energy for a sustainable tomorrow!

Green Belt Development Initiative

In Support **Life on Land**, we have established **Green Belts** to protect and enhance the natural environment.

Our commitment to protect life on land, fostering a harmonious balance between industrial growth and nature.

Together, we grow a sustainable future!

Ensuring Sustainable Consumption and Production

We are committed to responsible consumption and efficient production practices that reduce waste, conserve resources, and minimize our environmental impact.

By adopting sustainable production patterns, we aim to contribute to a more resilient and eco-friendly future.

Smart production today for a sustainable tomorrow!

Committed to Ending Poverty

In All Its Forms - we are actively working to uplift communities and create opportunities for all.

By partnering with local and global efforts, we aim to break the cycle of poverty and build a future where everyone thrives.

Empowering People, Changing Lives!

Committed to Zero Hunger

As a food manufacturer, we are striving to ensure that no one goes hungry. By providing high-quality, nutrient-rich products, we are committed to combating hunger, malnutrition, and food insecurity across the globe.

Together, we can create a world where no one goes hungry!

Committed to a Corruption-Free Environment

As part of our dedication to transparency and **ethical practices**, we fully support the fight against corruption in all its forms.

We believe that ethical business practices create a foundation for trust, growth, and long-term success.

Together, we build a fair, transparent, and corruption-free future!

16 PEACE, JUSTICE AND
STRONG INSTITUTIONS

Committed to Gender Equality

As part of our dedication to inclusivity and equality, we fully support **Gender Equality** in all areas of life.

We believe that empowering women and ensuring equal opportunities for all builds a stronger, more resilient society.

Together, we create a future where everyone, regardless of gender, can thrive, contribute, and succeed!
